MALAYA - FEDERATED MALAY STATES

Selangor

July 1934

Underpaid reduced airmail letter from England to Kuala Lumpur, Selangor, Malaya partly paid by some removed stamps on the obverse. There are also manuscript marks of "5oz" and "T 900" indicating double the deficiency in gold centimes. The rate was 11d per 1/2 oz or 9/2d. If the postage actually paid had been 5/5d this would lead to an deficiency of 3/9d, double this was 7/6d or 90d which was 900 centimes at the rate of 1d = 10 centimes.

The Kuala Lumpur arrival marks of 23 July 1934 and is on 18 copies of the 10 cents and a pair of the 12 cents FMS postage due stamps of 1924. This totals \$2.04 but there is a manuscript mark of "\$3.24 = 7/7". The letter is reduced and an incomplete cancellation suggests that other postage due stamps have been lost. These all suggest that there were another 12 copies of the 10 cents to make up that total amount. This would have made up a block of 30 (10 by 3) 10 cents stamps.
